The screenshot shows the entsoe.eu website interface. At the top left is the entsoe logo. Below it are navigation links for 'Home' and 'Find Activities'. A search bar is located at the top right. The main banner features a green background with white icons of wind turbines and power lines, and a photo of a smiling child. Below the banner is the title 'Nordic Capacity Calculation Methodology External Parallel Run Evaluation Report'. The page is divided into sections: 'Overview' with a paragraph about the consultation's purpose, 'Why your views matter' with a paragraph about stakeholder input, and a 'Give us your views' section containing a link to the 'Online Survey >'. On the right side, there is a 'Closes 17 May 2023' and 'Opened 17 Apr 2023' section, and a 'Contact' section for Zongyu Liu with an email address zliu@e-bridge.com. A blue arrow points from the right towards the 'Closes 17 May 2023' text.

- The public consultation opened on April 17, and closes on May 17
- Please do share your views on the External Parallel Run report and findings with us!
