### EPR results

**SH question:** Could the first slide about socio-economic welfare be repeated [because I was late to join the meeting]?

**CCM project:** *We have different cases causing negative welfare for these two weeks. We have investigated these, found reasons, and taken actions to improve. There is one cause in Norway, one in Finland and two causes in Sweden. They are all explained in detail in the slides which will be uploaded to the RCC webpage after the meeting. You can go through the detailed explanations there.*

As there were no further questions, the meeting closed around 9.50 CET. All participants are thanked for their inputs!
