

ATC ID updates

Rerun of ATC ID computations from mid-July 2023 and starting date of applying the new relaxation parameters

The Nordic TSOs received a new version of the ID ATCE software module and are testing it. In week 17 the TSOs will come back to stakeholders on the ID ATCE topic.

Upcoming stakeholder events

Stakeholder meeting on EPR results 11 April, 09:00 – 11:00 CET: [Click here to join!](#)

Join our monthly online stakeholder meeting focused on elaborating EPR results.

Although the meeting is booked for two hours, it may end earlier depending on the discussions.

Stakeholder meeting on EPR results 8 May, 09:00 – 11:00 CET: [Click here to join!](#)

Join our monthly online stakeholder meeting focused on elaborating EPR results.

Although the meeting is booked for two hours, it may end earlier depending on the discussions.

Other updates

HVDC ramping restrictions adjustment during EPR

New ramping limits SE3-FI, SE4-PL and SouthWest Link from w. 10: In order to ensure secure operation of the HVDC links when flow-based goes live, the TSOs will introduce or change the ramping limits for some of the HVDC cables. The changes are reflected in the EPR starting from week 10 and consist of: maximum ramping rate of 600 MW/h for Fenno-Skan (SE3-FI), 300 MW/h for SwePol Link, and removal of the ramping limit on SouthWest Link (SE3-SE4). More info on [Start | Svenska kraftnät \(svk.se\)](#) and [Home - Fingrid](#)

Videos of 'FB for beginners' in production

The video recordings of the recent "FB for Beginners" stakeholder event are being finalized. Once complete, they will be available on the Nordic RCC website. We will keep stakeholders informed through a news update.

GDPR reconfirmation

In line with GDPR legislation we require your renewed consent to continue providing you with updates and information about the Capacity Calculation Methodology for the Nordic Capacity Calculation Region (Nordic CCM). Please provide your continued consent by completing the form that was sent to you on Wednesday 03/04.

If we have not received your answer by 02 May 2024, you will be removed from the mailing list.

If you are currently not in the Nordic CCM mailing list and would like to register to this mailing list, please send an email to ccm@nordic-rcc.net.
