

Nordic Flow-Based Market Coupling Project Go-Live set for 29th October 2024

As communicated earlier, the planned go-live for Nordic Flow Based Day Ahead Market Coupling was set for October 2024.

The Nordic project parties are intensively preparing for the Go-Live and only the final tests are remaining. Pending successful completion, the project will go live on October 29th, 2024. (first trading day for delivery on 30th October 2024).

Please direct any questions about this matter to Erik Ek, Chair of the Nordic Flow-Based Implementation Project through the Svenska kraftnät press office.
