

Successful go-live of the Nordic Flow-based Market Coupling project

The project parties involved in the day-ahead Nordic Flow-Based Market Coupling project are pleased to announce the successful go-live of the project on 29/10/2024, (first trading day for delivery on 30th October 2024). The successful go-live of Nordic Flow-Based Market Coupling is the result of the close cooperation between all involved NEMOs, TSOs, Nordic RCC and regulatory authorities.
